

2BU Studios Group Programs

Rock Star Recording Studio Activity:

Our rock star recording studio offering allows groups to jam in our Professional Recording Studio. The group will practice different vocal activities and sing different songs karaoke style. Once the group is ready, they will focus on one song creating multiple vocal takes that will be edited into a final production demo CD. Our music editors will accentuate the group's singing to create the final piece. The recording studio can accommodate up to 25 performers at a time. *Each kid leaves with a professionally mixed demo CD.*
